Huron 15'10"

Description:

Our most popular recreational canoe, the Huron sports a reinforced (1/2 ribbed) interior and a wide beam for exceptional stability. For family paddling, hunting with dogs, fishing or literally any activity, on water ranging from flat to rough lake conditions, the Huron is also the choice of serious wilderness photographers, who demand the most stable craft for their art.

The capacity of the Huron also lends itself to extended tripping for two adults or weekend excursions for a small family.
