## Trapper 12' / 14'

### *Description:*

A classic lightweight tandem or solo canoe, stable, fast and visually striking, the Trapper 14 is well suited for two adults, the Trapper 12' is designed as a solo canoe.

The traditional lines of this canoe take the paddler back to the simple origins of canoeing. It's perfect for the weekend trip and its small size and good looks also make it an ideal canoe to display.
